### A Conference for Economic and Downtown Development Professionals, Entrepreneurs, Students, Nonprofits, and Interested Individuals

This conference presents new ideas in economic development and downtown growth. Successful business owners, community organizers, financial experts and others will share their perspectives on growing economies in challenging locations or strengthening established economies. Learn how to develop an ecology of connected businesses, utilize leadership and social capital, create sustainable businesses by connecting to supportive markets, find resources and take action to make things happen.

This event is part of NIU's Great Downtowns Growing Cities Program and UNESCO's Learning Cities.
